FIVE M TROUBADOUR

FIRST TEXAS OWNED SHORTHORN BULL TO BE JUDGED

CHICAGO SUPREME INTERNATIONAL GRAND CHAMPION

FIVE M FARMS
LINDALE, TEXAS

ACADIA FARMS
NORTHFIELD, OHIO

FIVE M'S TROUBADOUR at his welcome-to-Texas party shown with, from left, Leon Miller, Mrs. Larry Collinsworth, Mrs. Leon Miller, and Larry Collinsworth, herdsman.

Welcome to Five M

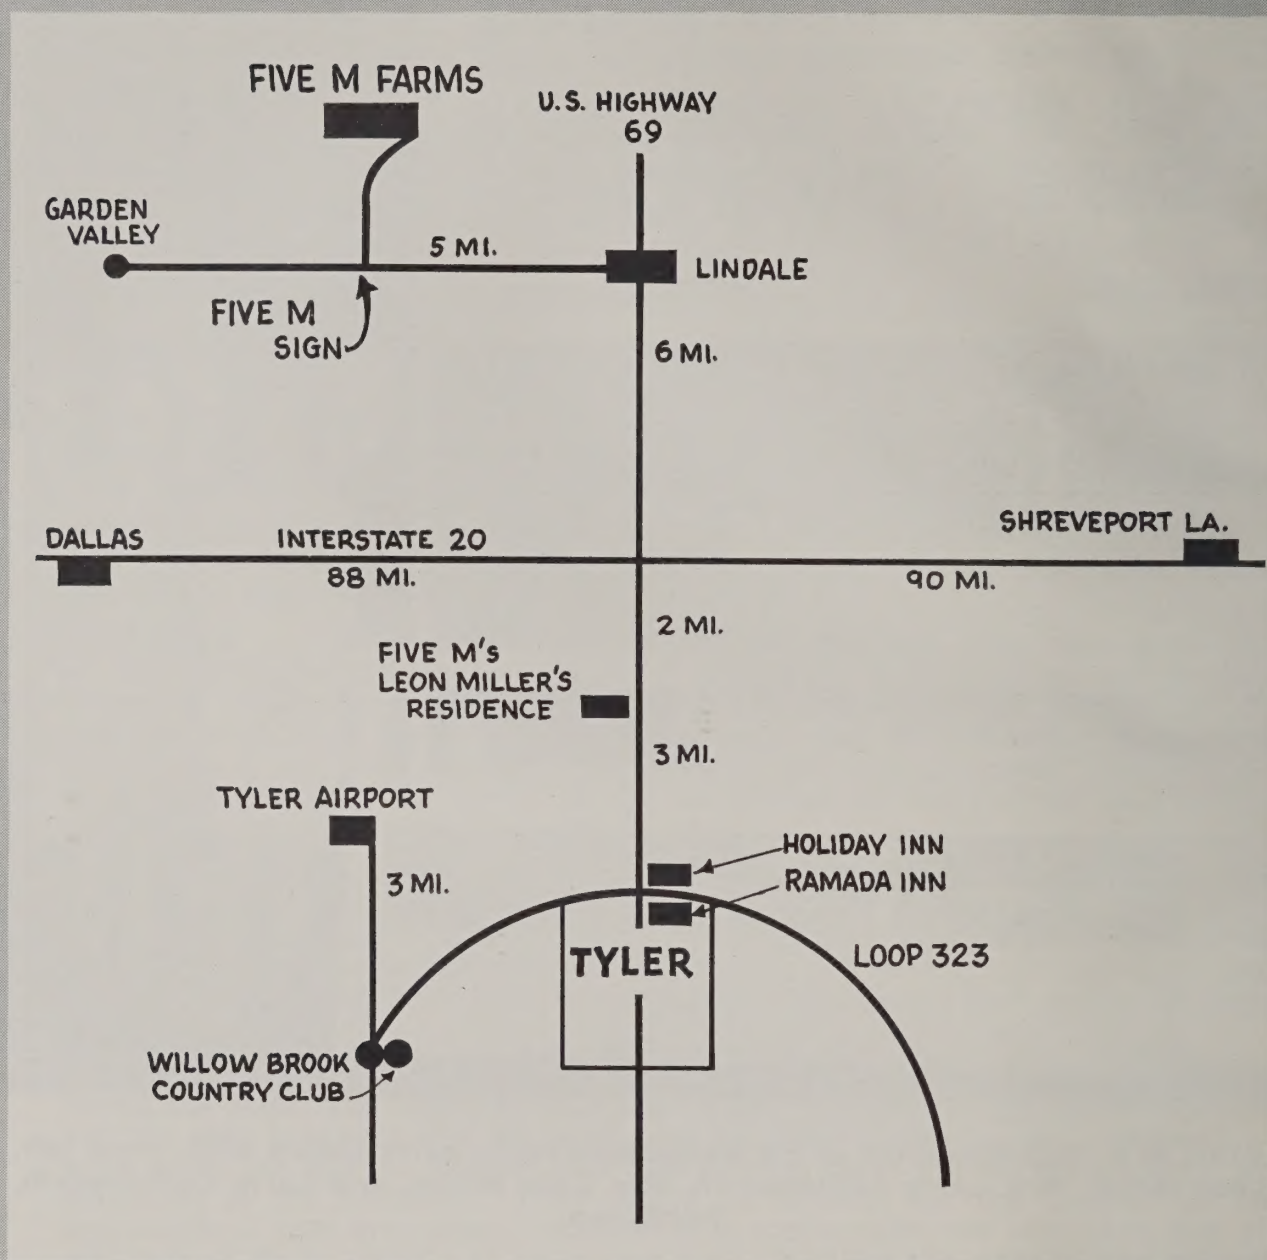

Welcome to East Texas and the Five M sale! We have been building toward it ever since we bought our first Shorthorn cow. The herd is now ready to offer breeders its very best.

Not to take the very heart out of an effort on which we have worked hard for the last six years, the "Herd Division" name was chosen. We are going to put two females of equal quality, age and breeding into the ring and let you pick one. We will keep the other for our foundation.

Our slogan for the sale is "Our Future and Your Future." We believe heartily in the three bulls in service here now. Troubadour x and Sir Winston x will be on display on sale day along with their calves. Defender's Challenge x is at Questing Hills Farm, Chandlerville, Ill., and you will see him at the major fall and winter shows. Although none of the females selling is bred to him, we believe so strongly that this bull is going to have great breed influence for good we are offering his service with every female selling whether she is open or bred. We want to share our future with you.

Come early. There is a lot to see, and be sure to be at the Willowbrook Country Club on Friday night for the get together. We are all looking forward to your coming.

Mildred and Leon Miller

This map is your guide to Five M Farms. There is good air and rail transportation to Dallas and Shreveport, and Texas International Airlines services Tyler, Tex. Planes and trains will be met in Dallas and Shreveport if advance notice is given, and transportation will be provided from Tyler to the farm, either from the airport or from sale headquarters.

Come early on Friday and inspect the sale offering. This is the heart of the rose country and each buyer will receive a rose garden free of 12 plants sent at the right time for planting. Be Five M's guest at a buffet dinner Friday evening at the Willow Brook Country Club in Tyler. Ladies attending will receive roses.

These are three of the grand foundation females that sell, all by the great sire of champions, Kinellar Napoleon. From left, ACADIA PRINCESS ROMA 9th, Lot 30, ACADIA PRINCESS ROMA 15th, Lot 28 and ACADIA PRINCESS ROMA 14th, Lot 29. A fourth ACADIA PRINCESS ROMA 29th, sells as Lot 27.

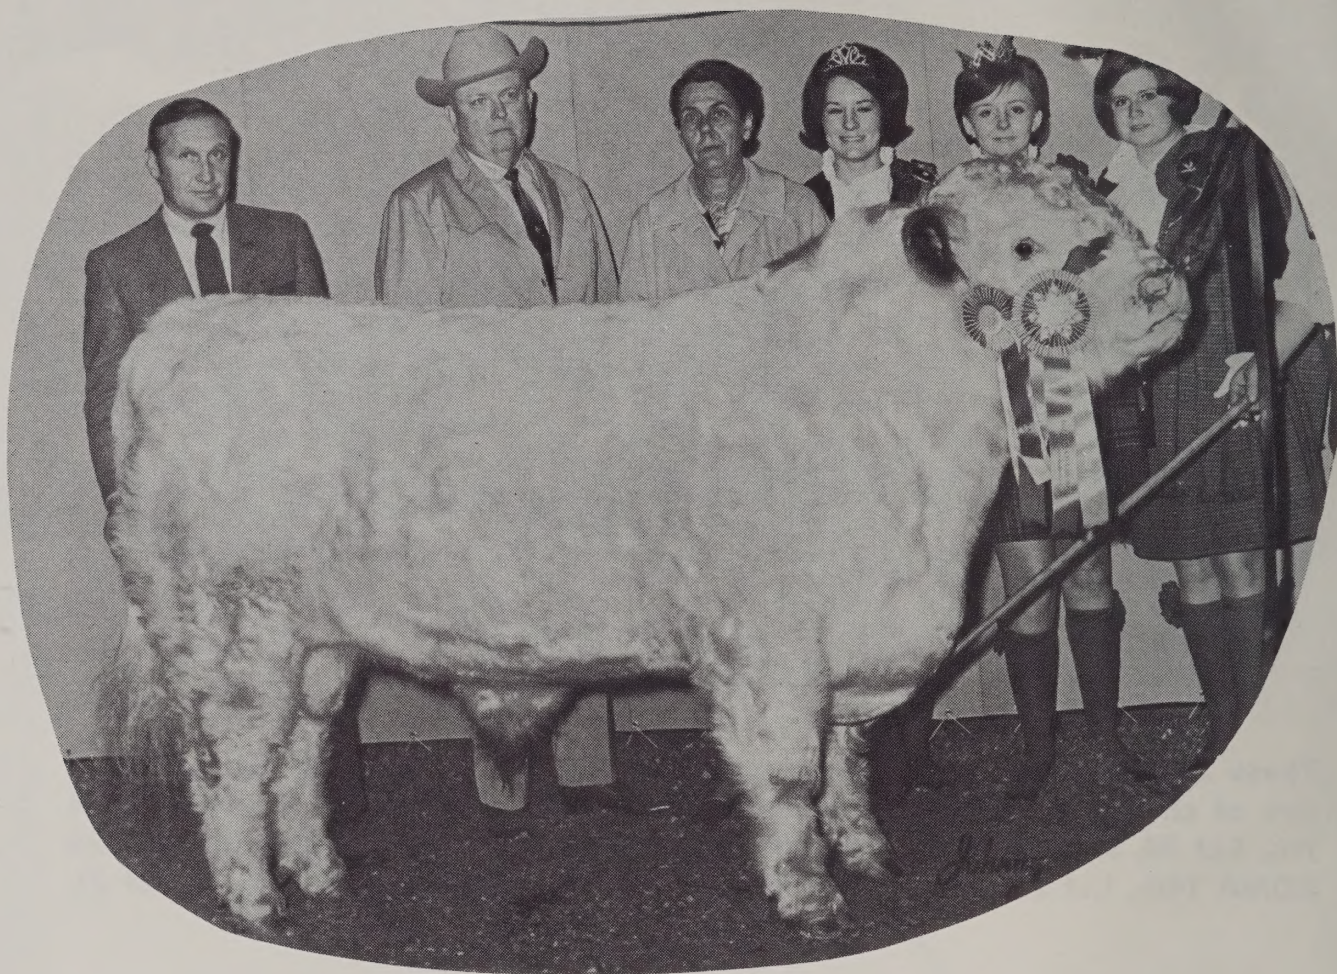

A Message from the Sale Manager —

You should plan definitely to be in Lindale, Texas, for the Five M Farm Sale. This is one of the good herds of Shorthorn and Polled Shorthorn cattle in the breed. They have been put together with thought, planning and an eye toward the demands of the future. Cost has never been an object. When a good one was selling Leon Miller was either the buyer or the runnerup. Outstanding females have come to the herd from leading production sales and dispersions along with groups of replacement heifers purchased privately. Today the herd is stronger than ever and right on schedule. This is the year that Leon planned to have a sale and he is ready for it.

Perhaps no herd has three sires in service with as much going for them as Five M. Five M's Troubadour x was the result of buying an outstanding group of cows from a leading breeder and then getting him in dam. A little luck you say? But remember, progressive people make a lot of their own luck. SV's Sir Winston x came from the Miller dispersion where his calves were the attractions of the sale, and then Defender's Challenge x, the newest, the most modern and the most talked about.

I will look forward to seeing you in East Texas along with the entire Five M organization. Come early for a leisurely inspection of the sale offering. Plan to be there for dinner on Friday evening. Let me know if I can be of help to you in any way.

FIVE M'S TROUBADOUR x won the four strongest shows of the nation — the Eastern National, the Chicago International, the Denver National Western, and the Southwestern Exposition at Fort Worth, Texas.

Progressive breeders like his great length, exceptional trimness and abundant muscling. His sire is Acadia Troubadour 75th x who died after siring only one crop of calves, but he is by the great imported bull, Calrossie Troubadour, sire of PS Troubadour, the great International grand champion steer over all breeds.

Five M's Troubadour's dam is Timberlee's T C Rosewood 16-25th x, grand champion female of the 1964 Eastern National. Her dam was champion at the 1961 Maryland State Fair and senior champion at the 1962 Pennsylvania and Eastern Nationals, and her sire is from the great tribe of Timberlee's Consorts x which numbers more champions and top-sellers than you can count on two hands.

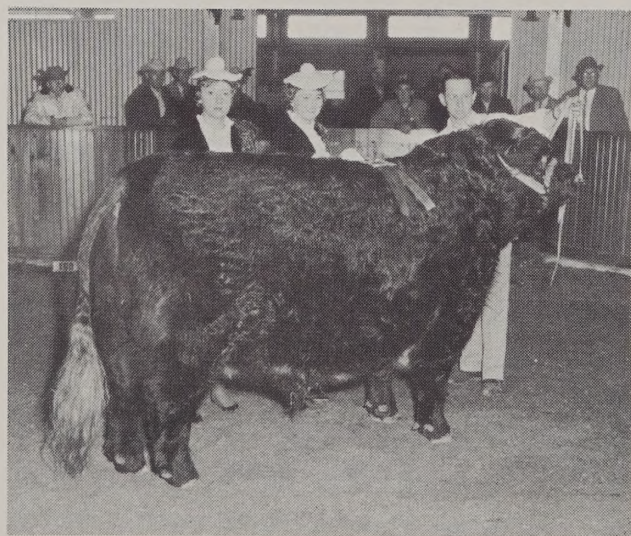

There are 55 females that carry the Troubadour's service selling in this sale, and some ten calves selling at side of dams. These will prove his prowess as a sire of the modern kind.

S V's SIR WINSTON x

A 100% dehorner

Lynnwood Bolster x, left, sire of SV's Sir Winston x, was reserve senior champion in strong competition at the Southwestern Exposition at Fort Worth, Tex., and the Denver National Western at a time when he was one of the few Polled Shorthorn bulls that dared compete openly with his horned competitors.

S V'S SIR WINSTON x — He was grand champion of the 1966 Tennessee National Sale, one of the strongest in the nation. He was purchased among the tops of the Upson Plantation dispersion where his sons and daughters were the leading attractions.

Up to 19 months his lifetime daily gain was 2.42 pounds. He represents the two best sires in the Sewanee Valley Farm's herd at Cowan, Tenn. Lynnwood Bolster x sired many champions and many first prize gets of sire. He sired big, sure-footed cattle that were popular with commercial cowmen as well as showring judges.

Sir Winston's dam is a Charity by SV's Ideal x, sire of a Polled Congress grand champion female and a whole tribe of top-winners and top-sellers in the Southeastern Regional sales and Mid-South fairs.

He has developed into a top sire in the Texas heat. His calves have that extra length that is so sought after today. About a dozen of his calves sell and many females are bred to him. He stands on good bone, good feet and is the trim, heavily muscled, modern type. If you are looking for real producers, his calves will do it.

FIVE M'S SIRE FO

Three views of this tremendous young sire!

Unretouched photos taken on pasture with 40 cows in July, 1970, at 22 months of age. His first calf arrived two weeks later. A heifer calf from a first calf female and weighed 77 pounds.

From the photo above, note his length, trimness and bulge to the quarter!

From the photo below, note the thickness through his middle quarter!

From the photo at right, note the muscling in his stifle and over the shoulder, his length of leg and cleanliness.

Although no cows are selling bred to Defender's Challenge x in the sale, every female whether she is open, bred or with a calf at side and re-bred will sell with a breeding privilege to him. We are making this offer because we have such faith in the future of this tremendous bull and wish to share him with you.

THE SEVENTIES

DEFENDER'S CHALLENGE x

The result of a sire daughter mating. Inbred to size, hardiness and doing ability. We found him running with 40 cows in northern Wisconsin last July and knew then that he had to be the sire of the seventies at Five M. His frame, cleanness, muscling, extra length of leg and modern type are unexcelled. He could well be called the model for the Polled Shorthorn of the future. His first calves at Tyler Farm, Dallas, Wis., indicate that he is passing on these traits.

Another important reason that we purchased Defender's Challenge x is the commercial cowman in our country. This bull has the height to reach the Brahman crosses which are prevalent here. He is white, which suits, because they want white or roan bulls, and he does not have the sheath problem that plague polled bulls of many breeds. This is very important to cattlemen running bulls in brushy pastures. We are looking forward to the time when we can supply our commercial producers with sons of this bull that will get the job done for them. They can get the same job done for you.

How long has it been since you attended a sale where you could buy daughters of 19 bulls that had won championships at major shows or national sales . . . with every calf at side and every calf in dam by a champion?

In addition, many selling are half-sisters to champions or out of champion dams; others are by AAA sires, or by bulls whose sires and/or dams have been champions.

How long has it been since you had the chance to pick from 18 three-in-one lots . . . cows with calves and rebred?

This is the sale where you can find all of these outstanding opportunities. Following is a list of sires that have been champions at major shows or national sales.

GRAVEL RIDGE CLIPPER 1 W — The old Gravel Ridge herd was one of Ontario's best. Aberfeldy Editor was an International first prize winner and is now siring champions for Allan Creek, Liberty, Ind. Calrossie Forward March was one of the better sons of Calrossie Welcome and sired the dams of most of Aberfeldy's present show winners. Saltoun Princess Margaret 12th is one of the truly great cows of the breed and has produced stock bulls in service for Roger Applegate, Lewisfield and other leading herds. This is a good Clipper family from Ireland. The cow is pasture bred to S V's Sir Winston x.

Captivator of Bapton x, sire of Lots 17 and 49, is a AAA bull, is sired by a AAA bull, and he, himself, has sired many of the top-selling cattle in the famous Sutherland sales in the last few years. This is one of the rare opportunities to buy a daughter as he is no longer alive.

Kinnaber Heather Lava x that sold in the 1970 Thomas-Gordon-Draper-Duncan sale for \$1,700 to Col. Greenhorn of Ohio, is a full sister to Lot 18.

Buy a full sister to this \$1,700 Kinnaber female!

The following seven heifers are closely related to the top-sellers and the prestigious cattle at Kinnaber and Thomas Farms of Manitoba. At the Thomas-Gordon-Draper-Duncan sale in May this year at Hartney, Man., a full-sister to Lot 18 sold at \$1,700 to Col. Greenhorn of Ohio.

Last year Kinnaber Lily Coronita x, that sold in the Thomas-Gordon-Draper-Duncan sale at \$3,500 to Carl Jernberg of Georgia, was out of a female bred by Ed White and from the Lily family. In the next seven lots there are two females from the Edward White Lily family and five of them are by a half-brother to the great Kodiak 3rd x, one of the big herd sires at Thomas Farms of Manitoba, and now in the Questing Hills herd in Illinois. Kodiak 3rd x is by T P S Coronet Laeder 4th x and out of an Ed White-bred female.

The fabulous Kinnaber Mr. Thieman! x, hailed as one of the greatest sire prospects ever at Kinnaber Stock Farm, is out of Spotty Queen, bred by Edward White and by T P S Coronet Leader 4th x. The Leader 4th x blood has been considered most valuable in producing the BIG cattle for which the Thomas-Gordon-Draper herds are noted.

VV Leishman 82nd x, sire of Lots 18 and 19, weighs over a ton. He is owned by Ed White, Fairfax, Mo. He sired the \$1,700 Kinnaber Heather Lava x of the 1970 Thomas-Gordon-Draper-Duncan sale of Manitoba. The cow in the center above is the dam of the noted Kodiak 3rd x, valued for his size, and now in the Questing Hills herd in Illinois. ACADIA PRINCESS ROMA 15th — There are four Acadia Princess Romas in the sale and we recommend them all highly. This one is a direct daughter of Kinellar Napoleon himself. The dam is a magnificent cow by Calrossie Troubadour that also sired an International grand champion steer over all breeds. Well along in calf to the International supreme champion Five M's Troubadour x.

Kinellar Napoleon was a fabulous sire of show cattle. It would take a chapter to list all of his grand champion sons and daughters. He is sire of Lots 28, 29 30 and 81.
